**ReflexW 8.5:** a Windows9x/XP/7/8/10-based computer program for processing and interpretation of

- **GPR** (Ground Penetrating Radar) data (reflection and borehole-borehole)
- **seismic reflection and refraction** and borehole-borehole data

	standard licence	academic licence
<b>REFLEXW GPR/reflection seismics 2D</b> <i>containing 2D data-analysis (incl. Reflex2DQuick)</i>	EUR 1200	EUR 900
<b>REFLEXW GPR/reflection seismics 2D/3D</b> <i>containing 2D data-analysis (incl. Reflex2DQuick)</i> <i>3D data-interpretation (incl. Reflex3DScan)</i>	EUR 1800	EUR 1350
<b>REFLEXW refraction/reflection seismics and GPR 2D</b> <i>containing 2D data-analysis (incl. Reflex2DQuick)</i> <i>modelling with wavefield simulation and travelttime inversion</i>	EUR 1700	EUR 1275
<b>REFLEXW complete 2D/3D</b> <i>containing 2D data-analysis (incl. Reflex2DQuick)</i> <i>3D data-interpretation (incl. Reflex3DScan)</i> <i>modelling with wavefield simulation and travelttime inversion</i>	EUR 2300	EUR 1700

The prices for upgrading to 3D or modelling are as following:

<b>3D data-interpretation (incl. Reflex3DScan)</b>	EUR 700	EUR 525
<b>modelling with wavefield simulation and travelttime inversion</b>	EUR 600	EUR 450

The prices for the Reflex quick programs:

<b>Reflex2DQuick</b>	EUR 500	EUR 375
<b>Reflex2DQuick/SeismoCross</b>	EUR 600	EUR 450
<b>Reflex3DScan</b>	EUR 500	EUR 375
<b>ReflexVibro</b>	EUR 500	EUR 375

All prices are net in EURO and subject to change without notice. The academic licence prices are valid for universities and other educational or pure research institutions. The delivery is by e-mail (download) including a pdf-formatted manual.

A **site licence** (unlimited number of installations and simultaneous uses within your institute) amounts the double price for each Reflexw configuration mentioned above.

A **site licence** for Reflex2DQuick and/or Reflex3DScan (unlimited number of installations and simultaneous uses within your institute) amounts the triple price for a single licence mentioned above.

**Free telephone and e-mail support** are given. We offer **free updates** for the first **five years** after purchase.

<b>Update price (lifelong free updates) from an existing older licence:</b>	standard licence	academic licence
<b>REFLEXW:</b>	EUR 500	EUR 375
<b>Reflex2DQuick, Reflex3DScan or ReflexVibro</b>	EUR 200	EUR 150

The update price for a site licence amounts the double price.
