ReflexW 6.0: a Windows9x/2000/NT/XP/7-based computer program for processing and interpretation of

- **GPR** (Ground Penetrating Radar) data (reflection and borehole-borehole)
- **seismic reflection and refraction** and borehole-borehole data

	standard licence	academic licence
REFLEXW GPR/reflection seismics 2D <i>containing 2D data-analysis</i>	EUR 1300 (EUR 1200)	EUR 975 (EUR 875)
REFLEXW GPR/reflection seismics 2D/3D <i>containing 2D data-analysis, 3D data-interpretation</i>	EUR 1900 (EUR 1800)	EUR 1425 (EUR 1325)
REFLEXW refraction/reflection seismics and GPR 2D <i>containing 2D data-analysis, modelling with wavefield simulation and travelttime inversion</i>	EUR 1800 (EUR 1700)	EUR 1350 (EUR 1250)
REFLEXW complete 2D/3D <i>containing 2D data-analysis, 3D data-interpretation, modelling with wavefield simulation and travelttime inversion</i>	EUR 2400 (EUR 2300)	EUR 1800 (EUR 1700)

The prices for upgrading to 3D or modelling are as following:

3D data-interpretation	EUR 700	EUR 500
modelling with wavefield simulation and travelttime inversion	EUR 600	EUR 425

The prices for the Reflex quick programs (single delivery only by e-mail):

Reflex2DQuick	EUR 400	EUR 200
Reflex3DScan	EUR 400	EUR 200

All prices are net in EURO and subject to change without notice. The academic licence prices are valid for universities and other educational or pure research institutions. The prices for the Reflexw programs include the shipping (DDU without possible duty charges within the destination county). If only e-mail delivery is wished the prices in brackets are valid.

A **site licence** (unlimited number of installations and simultaneous uses within your institute) amounts the double price for each configuration mentioned above.

Free telephone and e-mail support are given. We offer **free updates** for the first **five years** after purchase.

Update prices (five years free updates) from an existing REFLEX licence:

REFLEXW GPR/reflection seismics 2D	EUR 200	EUR 150
other REFLEXW packages	EUR 250	EUR 185
