Reflexw upgrade/update pricelist

ReflexW 10.5: a 64/32 bit Windows7/8/10-based computer program for processing and interpretation of

- **GPR** (Ground Penetrating Radar) data (reflection and borehole-borehole)
- **seismic reflection and refraction** and borehole-borehole data

| module extension | standard single lic. with valid update service | standard single lic. incl.lifelong update service | academic single lic. with valid update service | academic single lic. incl.lifelong update service |
|---|---|--|---|--|
| The prices are double for a site licence . | | | | |
| module extension to 3D data-interpretation (incl. Reflex3DScan) | EUR 700 | EUR 1100 | EUR 525 | EUR 800 |
| module extension to modelling with wavefield simulation and travelttime inversion | EUR 700 | EUR 1100 | EUR 525 | EUR 800 |
| module extension to 3D data-interpretation (incl. Reflex3DScan) and modelling with wavefield simulation and travelttime inversion | EUR 1200 | EUR 1600 | EUR 900 | EUR 1200 |

| site licence upgrade from a single licence - this means an unlimited number of installations and simultaneous uses within your institute | standard | academic |
|---|----------|----------|
| REFLEXW GPR/reflection seismics 2D | EUR 1200 | EUR 900 |
| REFLEXW GPR/reflection seismics 2D/3D | EUR 1800 | EUR 1350 |
| REFLEXW refraction/reflection seismics and GPR 2D | EUR 1800 | EUR 1350 |
| REFLEXW complete 2D/3D | EUR 2300 | EUR 1700 |

| update prices, this means free updates of the existing licence | standard licence | academic licence |
|---|------------------|------------------|
| Update price (free updates incl. all forthcoming updates) from an existing older Reflexw licence (includes only the Reflexw modules of the old licence, no upgrade). The prices are double for a site licence . REFLEXW lifelong free update service | EUR 600 | EUR 450 |

All prices are net in EURO and subject to change without notice. The academic licence prices are valid for universities and other educational or pure research institutions. The delivery is by e-mail (download) including a pdf-formatted manual.
